Eligibility Criteria for Placements

- Minimum CPI of 6.0 (on a 10-point scale) at the time of registration for the placement season.
- All branches of B.Tech., Dual Degree, M.Tech., and M.Sc. programs are eligible unless a specific recruiter restricts eligibility to certain departments.
- Students with more than one active backlog at the time of the placement drive are not eligible to sit for placements.
- A student who accepts an offer through campus placement is deemed to have opted out of further placement processes, subject to the institute's dream offer policy.

Placement Process

1. **Pre-Placement Talk (PPT):** The recruiting organization presents company profile, job role, and compensation details to registered students.
2. **Online Assessment:** Shortlisting is typically done through an online aptitude and/or technical test conducted on campus or remotely.

3. **Technical Interview(s):** Shortlisted candidates go through one or more rounds of technical interviews assessing domain knowledge, problem solving, and project experience.
4. **HR Interview:** A final round evaluating communication skills, cultural fit, and career aspirations, followed by release of the offer letter.
